Essay Question

On a separate page, in 500-750 words, please respond to the following prompt:

Living with a congenital heart defect comes with unique challenges, yet sports like golf can offer physical, emotional, and social benefits as is the mission of the Scratch Golf program. Reflect on the role golf has played in your life. How has the sport influenced your personal growth? Share specific experiences that highlight how golf has helped you navigate the challenges of your condition and shape your perspective on perseverance and success.
